Topics in macroeconomics of imperfect competition, Lisbon Summer School, 16-21 July 2005. (12 hours).

2006-: Monetary Theory and Policy, Cardiff PhD Economics programme, year 2 (20 hours).

2009: Topics in Advanced Macroeconomics, year 2 PhD course, University of Pavia (20 hours).

Other Teaching.

Huw Dixon: CV.

I have taught core microeconomics and macroeconomics at all levels from year 1 BSc to Masters level. I have also taught I.O. at MSc level at Birkbeck, York and Essex, year 3 International Trade for two years at UCL in 1984-5 and MSc Game Theory at Essex. At Cardiff I teach year 3 Macro, and introductory maths for MSc, and Contemporary Issues in macroeconomics.

University Administration.

I have been involved in many administrative jobs since 1983 when I became library rep at Birkbeck. Various committees too numerous to mention have followed. Highlights at York: member of university finance committee, Senate, Court, deputy head of economics, head of economics (2003-6), director of research students. At Cardiff, Director of PhD programme since January 2010.
